ABOUT US >

Proudly shortlisted for the Academic and Professional Publisher Award as part of the London Book Fair International Excellence Awards 2017.

CSIRO Publishing operates as an editorially independent science publisher within the Commonwealth Scientific and Industrial Research Organisation (CSIRO).

Our internationally recognised publishing program covers a wide range of scientific disciplines, including agriculture, plant and animal sciences, chemistry, health and the environment.

SUBSCRIBER BENEFITS >

- 23 peer-reviewed subscription journals and 5 open access journals
- Core strengths in science and health
- Most titles indexed and abstracted by Clarivate and Scopus
- Diverse international collection of editors, authors, and content
- Accessible and relevant content formats, including online, print, and mobile
- Easy-to-use COUNTER Reports for up-to-date metrics hosted by Scholarly IQ
- Electronic access to all backfile content for the majority of journals while a current subscription is maintained
- Perpetual access maintained for the years where a paid subscription was purchased

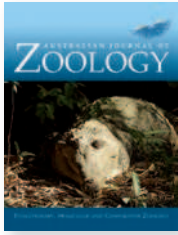

We have partnered with Altmetrics to track and analyse the online activity around our journal articles. Altmetrics collates what people are saying about published research outputs in sources such as the mainstream media, policy documents, social networks and blogs.

CSIRO Publishing is a member of the Committee on Publication Ethics (COPE) and adheres to the COPE Code of Conduct for Journal Publishers. COPE provides advice to editors and publishers on all aspects of publication ethics and, in particular, how to handle cases of research and publication misconduct.

Content is loaded to Cross Ref and Medline for linking across journal references and archived in PORTICO.
