LANQUILL
EMPOWERING YOUR COMMUNICATION

WRITE BETTER

Good writing skills allow you to communicate your message with clarity and ease. Writing is the primary basis upon which one's work, learning, and intellect will be judged – in college, in the work place and in the community.

INSPIRES TO THINK

Take the adaptive assessments to ensure measurable progress over time. Know the demographic standings and push boundaries to become the best version of yourself to face the new world of opportunities.

LEARN IN NATIVE LANGUAGE

Learn English concepts through your native language to get a firm grip on the fundamentals of grammar. Good grammar gives you confidence to communicate better and unlock global career opportunities.

GET CERTIFIED

There are seven levels of certifications to measure your English proficiency. The content and the questions are aligned to CEFR (Common European Framework of Reference for Languages) standards and attested by the language experts.

PERSONALIZED LEARNING

No one size fits all - Learn from the AI-based personalized learning academy to enhance your grammar, style and vocabulary. Use the extensive learning resources to expand horizons and increase your options.

ONLINE LANGUAGE LAB

The platform provides all the features of a language lab online built with the latest advancements in the technologies. Access it from anywhere, on any device and learn-on-the-go. You never have to stop learning, you have all the support needed to succeed.
