More than 2 Million eBooks

About World Library Foundation

The World Library Foundation is the world's largest collection of Books and Articles in electronic format. Founded in 1996, the World Library Foundation is a global coordinated effort to preserve and disseminate digital facsimiles of historical books, classic works of literature, serials, bibliographies, dictionaries, encyclopedias, and other heritage works in a number of languages and countries around the world.

World Library Foundation is a IRC 501(c) (4) Organization, organized Not for profit, but operated exclusively for the promotion of social welfare.

About World Library

World Library is the **World's largest collection of Primary Source eBooks for academic libraries**. It is designed to support academic research at all levels and subject areas by providing **more than 2 million eBooks** originally scanned from the shelves of the **Top 50 University Libraries** in the world. It is the first and only one to offer Digitally Re-Mastered Editions of the most influential books ever printed from the 10th till the 21st century.
